data are:	rplane accumulator 24 volts. 21 kw c	with a very low acid	schöneweide has been content. It weighs re-hours. It is fur	32 kg. Other nished with
a new air data are: silver an which is	plane accumulator 24 volts, 21 kw c nd zinc plates. Th also the sole supp	with a very low acid capacity, and 80 ampe dese accumulators are plier of materials.	content. It weighs re-hours. It is furn being built for the Since 20 Aug 53,	32 kg. Other nished with Soviet Union , 128 accumula
